5 BY TERRI FORMICO:

6 Is there any intent to do an anonymous
7 survey of LaCanada residents and employees at JPL of
8 incidences of tumors, cancers, unusual cancers,
9 deaths due to cancer over the last 20 years? That's
10 my question.

11 Also, employees of La Canada, as
12 well. People who have worked here at least 10 years
13 or so.

14 The survey should be offered to all
15 members of the community, all employees of the
16 community of both JPL and La Canada, not a random or
17 public event to gather data.
